**RE: LETTER OF REFERENCE**

To Whom It May Concern:

I am currently employed by Wilson Blanchard Management Inc. in Hamilton, Ontario and writing this letter as a reference for Gelderman Landscaping.

Gelderman Landscaping is a team dedicated to provide the service required by the Board of Directors and the Property Manager's sites with attention to detail.

Maintenance is the foundation and Gelderman is prompt to provide additional services required in a timely, efficient and cost effective manner.

From time to time, situations arise where Boards look elsewhere for these services and Gelderman continues to provide professional quality service to the end of the contract. This has served them well. I have personally witnessed a Corporation desperately return to the professional full courteous service provided by Gelderman Landscaping.

I provide this reference letter with full confidence in the continued professional quality of service provided by Gelderman Landscaping and fully re commend their services.

Should you have any questions, please contact me at your convenience.

Yours truly,  
**WILSON BLANCHARD MANAGEMENT INC.**
