To Whom It May Concern:

Wilson, Blanchard Management has enjoyed a long standing relationship with Gelderman Landscaping and has been referring our clients to Gelderman Landscaping since our company was incorporated in 1995. Years prior to that, principals of Wilson, Blanchard established what has become a long term business relationship with the principal of Gelderman.

When recommending Gelderman to our clients our property managers can feel confident they are referring a reputable company that provides quality workmanship at very competitive prices.

We are very pleased to recommend Gelderman Landscaping for their superb lawn maintenance services, landscape design or construction.

Sincerely,
Wilson, Blanchard Management Inc.,
